Piotr Górski

Full Stack Developer

Since 2022 I've been focused on web development and related fields. I prefer working on broader projects rather than specializing in one technology.

Experience

September 2026 - Currently

Software Developer / WithSecure.

December 2024 - August 2026

Software Engineer Junior / WithSecure.

June 2024 - November 2024

Software Engineer Intern / WithSecure.

At WithSecure, I started as mainly front-end developer, but quickly took more responsibilities such as: multiple CMS platforms maintenance and feature implementation, backend, migrations of content/repositories/automations, search platform ownership, CI/CD pipelines, business decisions...

Worked alone or as the main author on most tasks and projects, taking work from prototype, UI/UX, through CI and production.
